

# TEXAS ARBOR DAY 2021 TREE TRAILS CONTEST

## INSTRUCTIONS

Help your community keep track of its trees. Create a [Tree Trail](#) at one of this year's location categories, and you could win \$500 and some free trees to improve your community treescape.

**STEP 1:** Download the Tree Trails app on your tablet or smart phone, or visit the Tree Trails website.

**STEP 2:** Identify an area that meets the requirements of the contest.

This year there are 4 location categories to choose from:

1. School Campus (K-12 or College Campus)
2. Public Library
3. Unique Public Green Spaces (Parks, greenbelts, arboretums etc.)
4. Walking Distance to a Hospital or Assisted Living Facility

**STEP 3:** Assemble your group, gather your supplies, and hit the field!

**STEP 4:** Submit the [Texas Arbor Day Tree Trails Contest Form](#), including the name you've given your Trail, the names of your group's members, and the organization or community that you represent.

Tree

## GETTING STARTED

The instructions in the app tell you exactly what you'll need and what steps to take to gather data on your trees. You'll be measuring the tree, identifying the species, and entering the GPS coordinates. The app automatically calculates all of the dollar benefits for you!

Don't worry if you're not a tree expert. The app gives you everything you need to successfully complete a Tree Trail, no experience necessary.

**Visit contest page for full details <https://bit.ly/3CBwgA3>**

**WINNERS WILL BE ANNOUNCED AT THE  
TEXAS ARBOR DAY VIRTUAL CELEBRATION ON  
FRIDAY, NOVEMBER 5TH, 2021.**
