

**ANNUAL REPORT  
FISCAL YEAR 2009**

**RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM  
(HB 2604)**

**I. OVERVIEW**

The Rural Volunteer Fire Department Assistance Program (also known as the HB 2604 Program) was established in 2001 by the 77th Texas Legislature. It provides \$15 million annually for training and equipping volunteer fire departments throughout Texas. It is funded through the Rural Volunteer Fire Department Assistance Fund (Fund 5064), which is composed of revenue derived from an assessment on certain property and casualty insurers. The program is administered by the Texas Forest Service.

The program was designed in the Spring of 2002 in consultation with statewide advisory groups composed of firefighters, community leaders, educators, representatives from the State Firemen's and Fire Marshals' Association of Texas, Texas Engineering Extension Service, and the Texas Commission on Fire Protection. The program is designed to provide cost-share grants to volunteer fire departments in the following categories:

Fire Trucks	90% of the actual cost not to exceed certain maximums
Fire Truck Chassis' / Slip-On Modules	90% of the actual cost not to exceed certain maximums
Fire Equipment / Rescue Equipment	75% of the actual cost not to exceed certain maximums
Firefighter Protective Clothing	90% to 75% of the actual cost not to exceed certain maximums
Firefighter Training Tuition / Fire Training Libraries	100% of the cost of approved certified courses, subject to certain maximums
Dry Hydrants	100% of the costs of components, subject to certain maximums

## II. ACTIVITY

In FY 2009, funds were apportioned by Region at the beginning of the year as follows:

<u>WEST TEXAS</u>	<u>CENTRAL TEXAS</u>	<u>EAST TEXAS</u>
20%	55%	25%

These allocations correspond to the location of the state's approximate 1,800 volunteer fire departments. At year-end, actual grant approvals by Region were as follows:

<u>WEST TEXAS</u>	<u>CENTRAL TEXAS</u>	<u>EAST TEXAS</u>
19.89%	54.05%	26.06%

## III. STATUS

The Texas Forest Service conducted funding meetings in September, November, March, and July of FY 2009. . The Texas Forest Service was able to provide additional grants to VFD's in FY 2009 as a result of a supplemental appropriation of \$2,500,000 authorized by the 81<sup>st</sup> Texas Legislature (HB 4586). The attached summaries show the grant approvals by category, region, fire department, and county. The following is a summary of the requests for assistance that were approved:

<u>Category</u>	<u>Number of Grants</u>	<u>Number of Items</u>	<u>Cost-Share \$ Value</u>
Fire Trucks	106	106	\$13,339,873
Fire Truck Chassis / Slip-On Modules	42	42	\$ 1,100,632

Fire / Rescue Equipment	225	654	\$ 1,110,822
Personal Protective Equipment (PPE)	197	4,390	\$604,352
Training	1,520	5,897 Students 45 Libraries 33 E-Projectors	\$1,507,465
			<hr/>
<b>TOTAL</b>	2,090 Grant Requests Approved		\$17,663,144 in HB 2604 Grant Funds Allocated

#### IV. PLANS FOR FY 2010

The 80<sup>th</sup> Texas Legislature approved House Bill 3315 which amended the Texas Insurance Code and increased the annual allocation for the Rural Volunteer Fire Department Assistance Fund by an additional \$15 million. Regrettably, spending authority was not approved and these additional funds did not become available in FY 2009 as hoped. The 81<sup>st</sup> Texas Legislature approved spending authority for these additional funds beginning September 1, 2009. The Texas Forest Service will move rapidly to approve grants with these additional funds to address the huge backlog of applications for fire trucks.

The 81<sup>st</sup> Texas Legislature also transferred \$1million from the Texas Commission of Fire Protection's Fire Department Emergency Program to the Texas Forest Service Rural Volunteer Fire Department Assistance Program. The fund transfer takes effect on January 1, 2010. The Texas Forest Service will work with fire service advisors to develop guidelines and will implement a plan for distributing these additional grant funds to Texas fire departments.

#### V. LEGISLATIVE NEED

As a result of the funding increase without spending authority for the FY 2008-2009 biennium, there is a \$12.5 million reserve in the Rural Volunteer Fire Department Assistance Fund. Authority to spend these funds would need to be granted by the Texas Legislature in order for the funds to be used as intended by the enabling statute.

## VI. EFFECTIVENESS

The Rural Volunteer Fire Department Assistance Program continues to be a highly effective program and is recognized nationwide as one of the most successful legislative initiatives of Texas government in the 21<sup>st</sup> century. In its first seven years of operation it has placed into service over 1,100 fire trucks, has provided safety gear to an estimated 39,000 firefighters, and has helped train approximately 28,000 firefighters. In 2006, the USDA Forest Service awarded the program its national Franklin Award for outstanding service in protecting underserved rural communities.

The Texas Forest Service has leveraged HB 2604 funds with federal USDA funds to make this program very friendly and responsive to the needs of Texas communities. It has also developed a simple and straightforward grant application process that makes it easy for rural fire departments to enroll.

The Program has experienced overwhelming support and participation from Texas volunteer fire departments. There are currently substantial grant application backlogs for fire trucks and radio communications equipment. The current \$20 million backlog for grant funds substantially exceeded the Program's annual appropriation of \$15 million in FY 2009. This gap between demand and limited funding still requires many applicants to wait three years or more before receiving a grant for a fire truck, however, the additional \$10 million in revenue which will become available in September 2009 will help greatly to accelerate grant approvals and reduce the application backlog.

On behalf of volunteer fire departments everywhere, the Texas Forest Service extends its most sincere thanks and gratitude to the legislative heroes who work to strengthen and improve this valuable program.
