

ANNUAL REPORT

FISCAL YEAR 2019

RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM (HB 3667)

I. OVERVIEW

The Rural Volunteer Fire Department Insurance Program was established in 2001 by the 77th Texas Legislature (House Bill 3667). The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death and disability insurance for members of volunteer fire departments. The program is funded through the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which is composed of tax revenue equal to two-percent on fireworks sales.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual grant reimbursement rate to be offered based upon forecast revenue and the forecast enrollment of members of volunteer fire departments.

The program is administered by the Texas A&M Forest Service (TFS).

II. ACTIVITY

The FY 2019 expense budget for the Rural Volunteer Fire Department Insurance Program was set at \$2,050,000 which was the amount appropriated in the General Appropriations Act (GAA). Of this total, \$1,977,248 was allocated to grants and \$72,752 was allocated to administrative costs.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$175 per enrolled members with a provision to include a supplemental offering in FY 2019. The grants reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

TFS launched open enrollment beginning in November 2018. Enrollment remained open through July 29, 2019.

III. STATUS

The program achieved positive enrollment in fiscal year 2019. The following grants were awarded:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Awarded</u>
701	16,144	\$1,979,964.47

The attached summary presents the individual disposition of grant funds awarded in FY 2019.

IV. PLANS FOR FY 2020

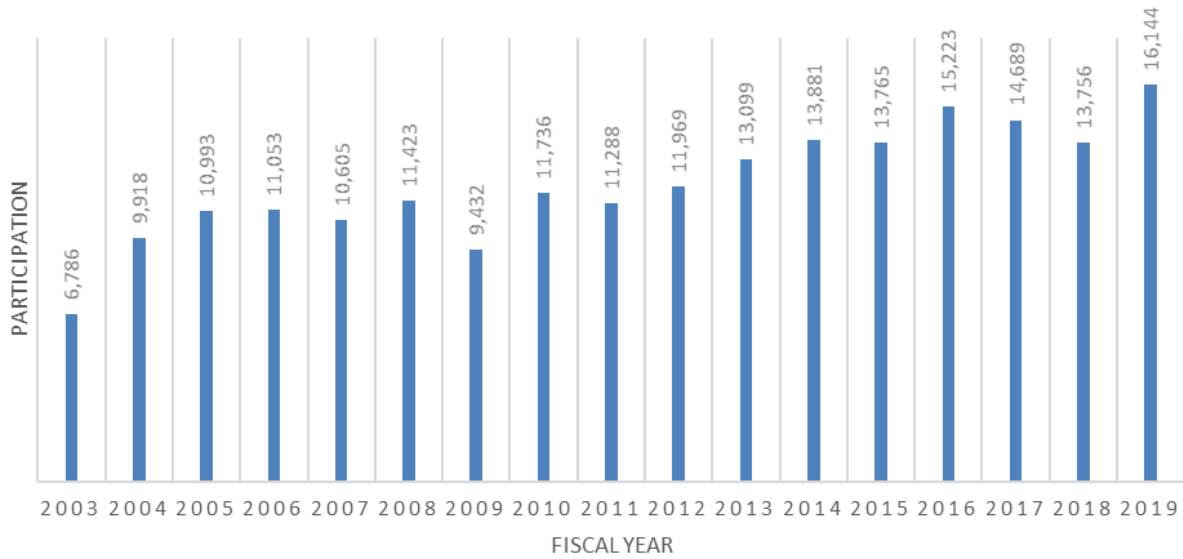

The HB 3667 Advisory Committee will be meeting in late October to discuss plans for FY 2020. A reimbursement rate of \$175 per enrollee may be recommended for FY 2020. This is consistent with the FY 2019 reimbursement rate. After consultation with the Advisory Committee, the new rate will be implemented with open enrollment scheduled to begin in November 2019 and end July 31, 2020, subject to the availability of grant funds. Based upon program participation and actual revenue received, a supplemental offering will be considered in August 2020.

V. EFFECTIVENESS

This is a highly effective program. Approximately 74% of grant recipients were reimbursed 100% of their cost of insurance coverage for their members under this program.

TFS has continued to improve the effectiveness of the Rural Volunteer Fire Department Insurance Program by increasing marketing efforts and maintaining a user friendly application and efficient processing procedures for enrollees.
